This practical workshop will provide participants with strategies to design and implement effective support for **PRIMARY** and **SECONDARY** students with both reading and language disorders.

Together in this extended seminar we'll explore:

- ✓ The spectrum and variety of reading difficulties, eg. Dyslexia
- ✓ Resources to identify which students will benefit from which types of interventions
- ✓ Evaluation of intervention programs for students with reading and language disorders
- ✓ Approaches to develop vocabulary to support reading comprehension
- ✓ Compensation strategies and technologies to support high school students
